

The Gap TR. NO. 034

Dixie National Forest, Escalante Ranger District

General Description: Access to the North Creek Lakes and the Great Western Trail from the Griffin Top Road (FR 140).

Mileage: 2.8 miles one way

Difficulty: Foot: Moderate
Bike: Difficult
Horse: Moderate
OHV: Not Permitted

Trailhead access: Gravel road

Elevation loss / gain: 800 feet

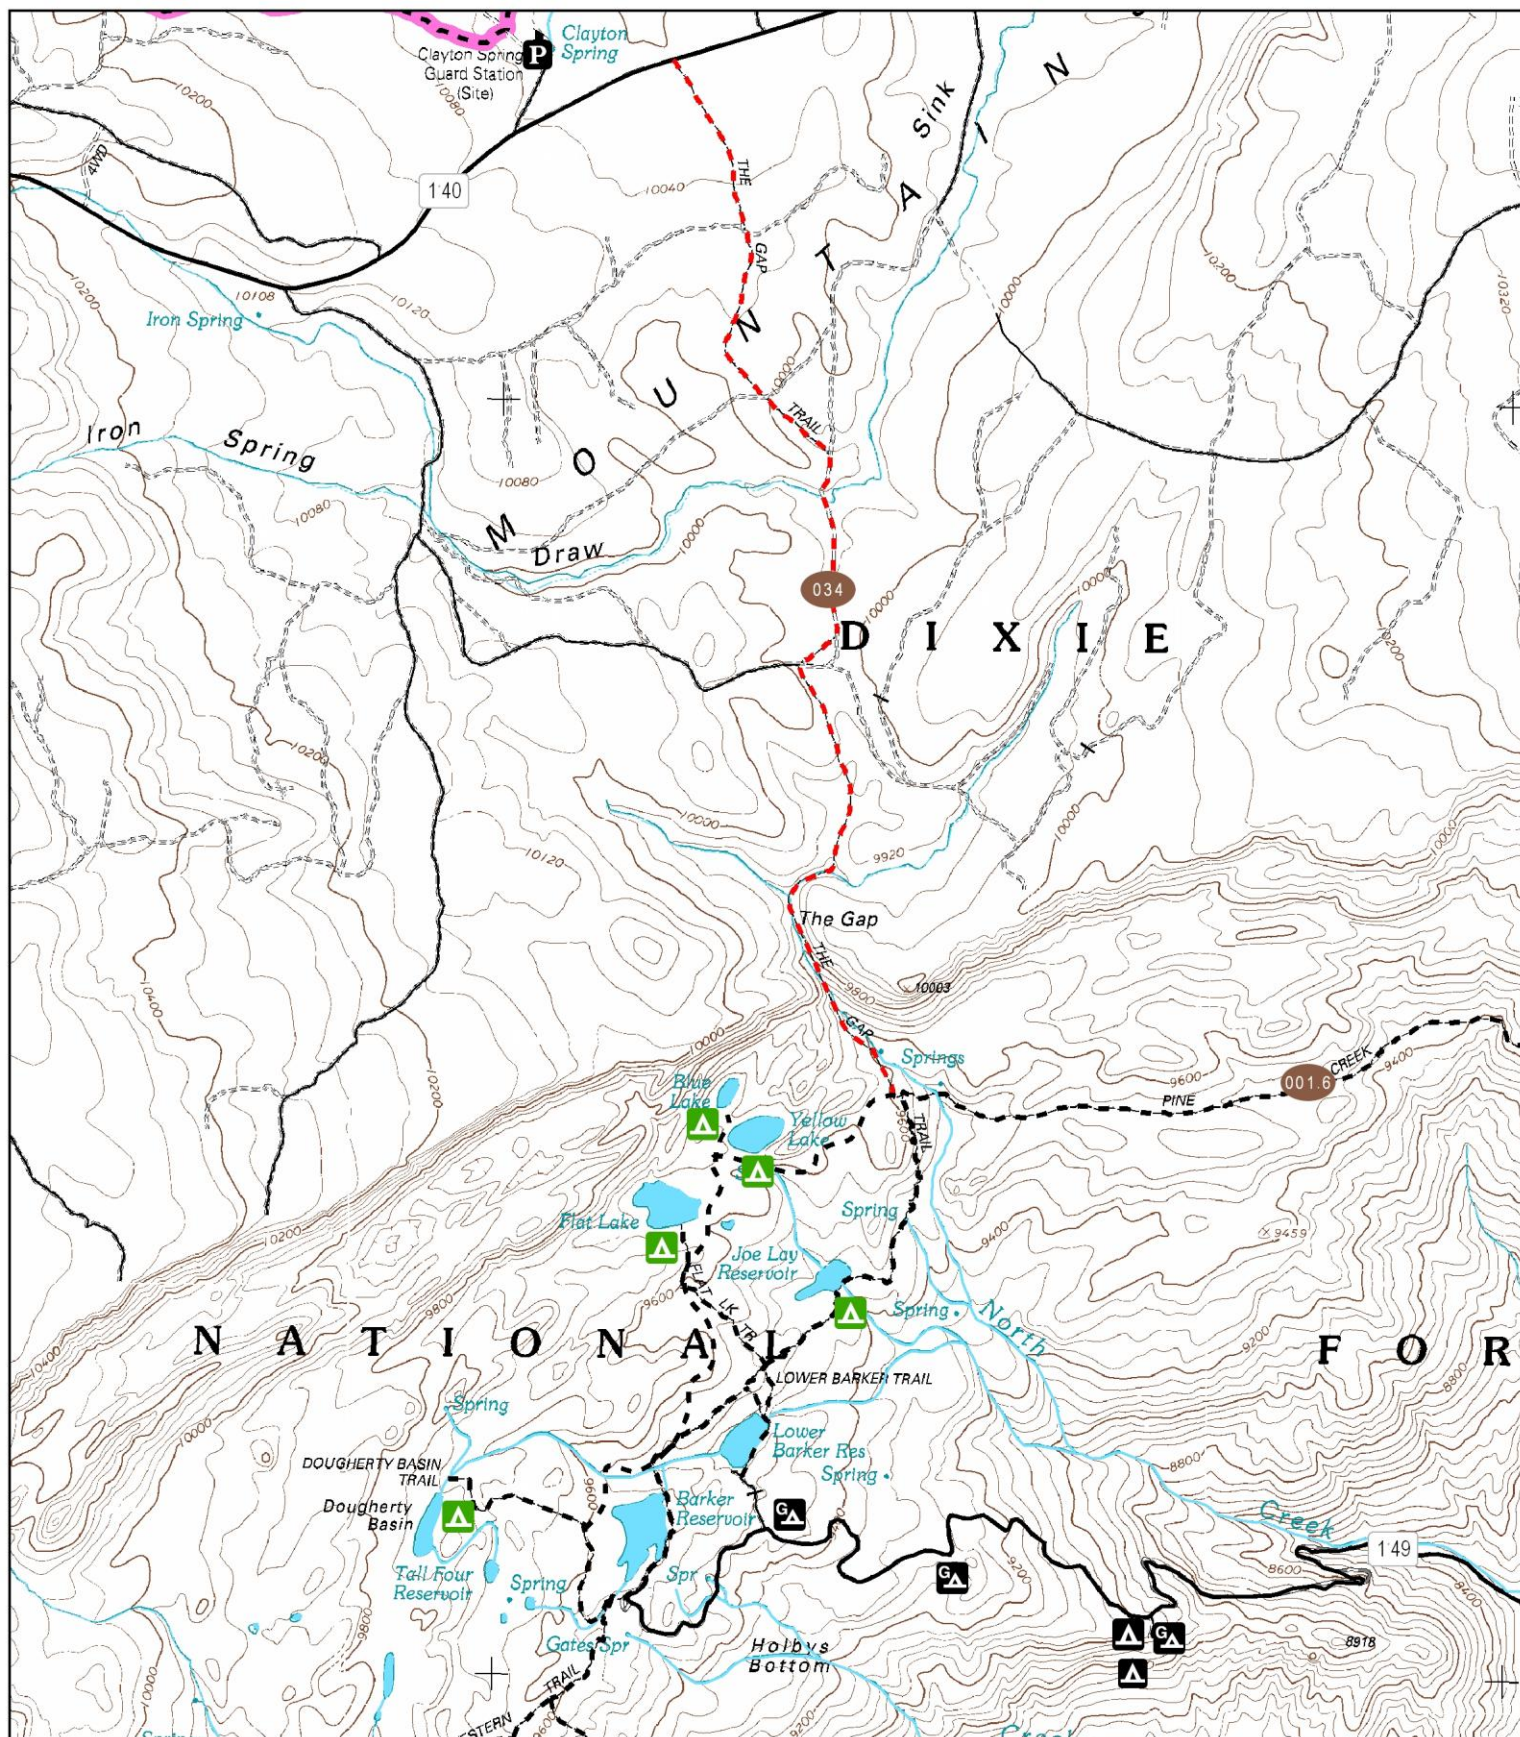

Water availability: The nearest water is at Yellow Lake west of the junction of the Gap Trail and the Great Western Trail. Bring your own water for day hikes. All water should be filtered or treated before drinking.

Hazards / obstacles: Sections of the trail can be difficult to follow. Look for cairns and blazes marking the trail. Mosquitoes are prevalent in spring and early summer. Wear a long sleeve shirt and pants and use insect repellent. Weather can change quickly. Be prepared for cold weather year round. Ridges, saddles, view points and open meadows are dangerous during thunderstorms.

Topo maps: USGS 7.5 minute quads: Barker Reservoir

The Trailhead: From Escalante, turn north on the Hells Backbone Road. At 0.7 miles the road will fork, stay right. After 3.5 miles the road will turn to dirt and is now called Forest Road 153 (FR153). At 13.6 miles the road will fork, continue straight at the junction, following signs to Posey Lake Campground. Continue past the campground. At 21.6 miles turn left on FR 140. At 29.7 miles the trail sign will be on your left.

The Trail: From FR 140 the trail heads south through a sagebrush flat for the first 1.5 miles. The trail crosses and follows roads at times, so be sure to keep an eye out for rock carins and carsonite signs. On the Map where the "D" in Dixie is the trail follows the road to the right. Where the red dashed line meets the solid black line there is a trail sign. From the sign the trail follows an old 2-track for about 0.25 miles then descends into The Gap. The trail is steep for the next 0.5 mile where it then comes to the junction of the Great Western Trail No. 001.6.
